Judge Hiles' Decision Is Against Labor Federation.

DEMURRER IS SUSTAINED

MORE SERIOUS CHARGES WILL BE ALLEGED.

Decision In the Feud Between Ash and Connelly-S. B. Milner Denies He Wronged His Brother's Estate -Suits to Quiet Title Decided-Four Divorce Cases On.

The first round in the litigation between the representatives of the Utah Federation of Labor and the regents of the state university was decided yesterday by Judge Hiles in favor of the

promises to be a stubbornly fought so, and without doubt the suprement will be called upon to adjudicate of question of the right of the regents contract with Boney. In order that ork may not be unnecessarily delayed the university buildings, both sides the controversy will rush the series court proceedings to the end.

the court, therefore, allowed the research answer to stand and overrue! I billing the standard and overrue! I billing the standard and an eighth Hurdle handicap, mile and an eighth Hurdl plaintiff's demurrer, but granted ten lays in which to amend the complaint. hat only the lowest aggregate proposal would be accepted.

NEIGHBOR'S FEUD DECIDED.

Ash Must Keep His Smoke and Connelly His Rain Water.

John Cornelly, residents of First street, cast of M, was adjudicated yesterday by Judge Hiles as best he could after reconciling the conflicting evidence submitted in the case a week ago. The court's findings and decree, stripped of all larnly verbiage declines the first street. Hing's Courier, ch. g., 2 years old, by Ringston-Styltine, W. M. Rogers, court's findings and decree, stripped of all larnly verbiage declines the first stripped of all larnly verbiage.

court's findings and decree, stripped of all legal verbiage, declares that Mr. Connelly shall keep his own rain water, that Mr. Ash shall shoot his smoke away from Connelly's house and that each party to the suit shall pay his own costs.

In legal phraseology Judge Hiles decreed that Connelly, the decendant, shall be perpetually restrained from permitting the storm water from his house running into Ash's cellar and that Ash, the plaintiff, shall forever maintain his crimner so that the smoke

that As0. the plaintiff, shall forever maintain his crimney so that the smoke therefrom shall not enter the Connelly domicile windows.

S. B. MILNER DENIES.

Declares His Brother's Estate Has No Interest In Tuscarora Mine.
Through his attorneys, Dickson, Ellis & Ellis, Stanley B. Milner yesterday filed in the district court an answer to the complaint recently made against him by the Utah Savings & Trust company, which, it was alleged, defendant had wrongfully converted to his own use.

All the majorial with the defendant and control of the complaint resident of the expendant are dealed by the defendant and wrongfully converted to his own use.

All the majorial are dealed by the defendant and control of the complaint resident of the expendant are dealed by the defendant and wrongfully converted to his own use.

All the majorial are dealed by the defendant and the complaint are dealed by the defendant that the same control of the complaint are dealed by the defendant that we have been the control of the complaint are dealed by the defendant that we have been the control of the complaint the same control of the contr

All the material allegations in the complaint are denied by the defendant, and specifically it is denied by Mr. Miliams of the Chifornia Futurity.

San Francisco, Oct. 21.—President Williams of the Chifornia Jockey cittly interest in the stock which was subscribed and paid for by defendant as trustee. It is denied also that any trust existed between the brothers, and that decedent in his life time nor any one representing his estate ever offered to pay defendant shything toward the purchase of the stock or for assessments on it.

The decedent's only heirs are two

MADE A BRIGADIER GENERAL OF VOLUNTEERS.

Fighting Kansan Has Decided to

special from San Francisco says: General Frederick Function today received a telegram from the war department offering him a brigadier's command if he would return to the Philippines af-ter his former regiment, the Twentieth Kansus, is mustered out. General Fun-ston accepted the offer.

Washington, Oct. 21.—Following a conference between the president and Secretary Root, the latter telegraphed to General Frederick Function the tender of a brigadicy generalship, in the deep of the control of the Secretary Hoot, the latter telegraphed to General Frederick Funston the tender of a brigadier generalship in the newly formed volunteer service. Up to the time the war department closed today General Funston's reply had not been received by Adjutant General Corbin, but the officials took upon the press dispatch announcing General Funston's purpose of accepting as set, tling the fact that he will be back in the service at an early date.

The selection of General Funston was unde on meetl, after Secretary Root had submitted to the president a list of officers with their record of service. This list had been carefully gone over and the essential features of recent service in the field noted.

The president was evidently impressed with the official chronicle of General Funston's work in the Philippines, which follows closely the press dispatches of his gallant deeds during General MacArthur's first advance to the next hand his vance was account.

General MacArihur's first advance to the north, and his name was speedily selected from the list.

MAUD CHESHIRE ARRESTED.

Says She Left Home Because She Was pany, the grocers and bardware mer-chants, yesterday purchased from Wil-iard B. Richards for \$30,000 thirty-six and seven-twelfths feet, frooting on Main and Richards streets, by 261 feet Ill Treated.

Maud Cheshire was taken into custody by the police yesterday afternoon, the father having made another appen! to have his wayward child rescued from her associates. He will take steps to have her sent to the reform school. When Maud was locked up she told the officers a pitiful story.

"I haven't any home," she said, "none of my folks treat me well. They kick and coff me about like I was a dog, and my step-mother beats me with a club until I can't stand. What can I do? I had to go some place. I wanted to work and was trying to get a place every day."

Mr. Cheshire will probably swear to a complaint against the girl, charging incorrigibility, or something more serious.

rious.

A hady by whom Mand was employed some time ago called at the police station yesterday and said she was a good girl and, this lady had reason to believe her story of being fil-treated at home, was correct. Others for whom Maud has worked aver that her character for veracity has been tried and found wanting.

HOTEL GOSSIP.

Ogden Sugar Made a New Record Major S. W. Miller of the Forty-sixth When It Touched \$156-E. J. Jolly Succeeds Captain Donnell as the Kenyon hotel on his way to Sun Manager of Board of Underwrit-The general business of the week in

the preliminary matters of its trip to Manfia.

The regiment was at Pueble yesterday in Charge of Colonel Walter S. Schuyler, and it will come through here today. Major Miller is a regular army efficer, having been for twenty-live years in the service during most of which time he has been connected with the Fifth infantry. The Rocky mountain states and the northwest are not unfamiliar to Major Miller, for he has served in Colorado, Wyoming, Montana, Idaho and Texas.

The Forty-sixth was organized at South Framington, Mass, and is made up of mon of all the eastern states, but principally of New England. Several of the officers are already in Manila, where they will await the arrival of their regiment. Major Miller was accompanied from Denver by his brother, S. M. Miller, of that city, who will return this morning. Sait Lake City was characterized by dullness owing to the bad weather, but merchants in all lines are calculating merchants in an inness are calculating on a heavy fall trade and have purchased stocks with that in view. The business tone was never better.

Matters were quiet in real estate circles, but few transfers of any magniture being made. Some dealers are disappointed as to the outcome thus far this fall, but all are looking forward to a soud business val. The clearings of the Salt Lake banks

people of Colorado and of Denver is better than ever before. They never were in such good condition."

"The Rollins mine will be started again in a very few days," said J. F. Mundy of Lincoln, Illa, managing director of the company, at the Kenyon hotel has right. "We will get enzught new mischinery for the pumps to cope with the flow of water which has stopped the work."

The Rollins has been worked since last spring, and during part of this time there has been a flow of 30 gallons of water per minute. This was pumped out with as the volume to 700 gallons per minute, was opened up. The pumps could not handle that nother flow of water, increasing the volume to 700 gallons per minute, was opened up. The pumps could not handle that the water when we get the raw magnetic that quantity of water, so they were closed down and work was stopped. "There will be no difficulty in pumping out the water when we get the raw magnetic than the pump to 700 gallons per minute. The pumps could not handle that the pump to 700 gallons per minute. The pumps could not handle that the pump to 700 gallons per minute, was opened up. The pumps could not handle the water when we get the raw magnetic flow of water, increasing the permanent of the fundamental not be for a time there are the pumps to cope with the flow of water and in six londs of heavy hinst another flow of water, increasing the volume to 700 gallons per minute. This was pumped out the flow of the late of the Grand and in vestments in mining propositions in the near future. Business is reported good everywhere east, and Mr. McCornick's observations confirm all that has been asid concerning the phenomenal activity in the iron and the late of the Grand and the flow of the Grand and the flow of the grand in six londs of heavy hinst another flow of water. In the near future. Business is reported good everywhere east, and Mr. McCornick's observations confirm all that has been asid concerning the nearly was a in a very few days," said J. F. Mundy of Lincoln, His., managing director of the company, at the Kenyon hotel last right. "We will get enough new machinery for the pumps to cope with the flow of water which has stopped the work."

The Rollins has been worked since last spring, and during part of this time there has been a flow of 356 gallons of water has been on the flow of the flow of water has been on the flow of the Street railway bonds, ex-interest (bid). 192 00 Stocks were somewhat sluggish during the week, but few sales being reported. One \$5,000 block of street railway bonds changed hands at the figure quoted above. Ogden Sugar touched high water mark during the week-\$156 per share, and State Bank of Utah made a new record with a quotation of \$125.50 per share.

N. F. Beers, a farmer of Cisco, is lying at the Culien with a broken arm and leg, the result of an attempt to stretch a E. J. Jolly Manager of Board of Unwriters of the Pacific to the position of manager of this "district, to succeed Captain Sam M. Donnell, recently promoted. Mr. Jolly will be known in insurance circles as manager of the board of fire underwriters of the Pacific for district F, which includes Utah and southern Idaho.

Manager Jolly has had a long experience in the insurance business. He is well qualified for the responsible position and is popular with insurance men. He came to Salt Lake from Denver about a year ago as special agent for the Commercial Union Assurance company, and has, since coming made this

No Selection of Site Has Yet Been Made.

The report was circulated yesterday that a deal had been closed by which the Z. C. M. I. had secured what is known as the Eagle foundry property, 19x12 rods, adjoining the Oregon Shouth street; that it was intended for warehouse purposes and that the price paid vas \$12,000.

Thomas G. Webber, the superintendat of the Z. C. M. I., said last night at no deal had yet been closed for error yes; in the state, he resembles William J. Bryan very much in looks, amanters and action. Nearly everyone who sees and that the price paid vas \$12,000.
